TOOGOOLOWAH OPERATIONS  We are **100% Charbray.**

SNAPSHOTS FROM OUR INAUGURAL BRISBANE VALLEY SALE

Welcome to our 2023 **Brisbane Valley Spring Sale**

CATTLE PRODUCERS who are focussed on success know that we have skin in the industry, just like you do, and that we are invested in both the stud and commercial operations.

We are **100% Charbray.**

**Truly, this is what we are driven by:
success for our clients is success for us.**

This is the mission that reinforces our conviction in the future of Charbrays, and sustains our determination to build stability, predictability and consistency into the breed, to advance its natural strengths and bring success.

All cattle producers adopting the breed have given careful, considered thought to their choices, and the Charbray's growing acceptance among these thinking commercial and stud breeders is exciting and rewarding.

Huntington is an all-Charbray stud, totally invested in the breed.

We are proud to have been involved for decades in developing certified Charbrays and (through our close association with Toogoolawah producers Matt and Rachel Pulsford and family) in the promotion and adaptation of the breed in the Brisbane Valley with our joint Toogoolawah operation.

Many years of carefully managed selection and development has evolved the Charbray into a consistent and predictable breed.

Today's Charbray, we believe, is an unmatched all-rounder in paddock performance, market appeal and eating quality.

The 30 bulls catalogued for this sale are a great representation of the 'Huntington type': early maturing bulls with a balance of muscle and softness. Buyers can rest assured that the powerhouse performance of these genetics

will be realised in your own paddocks and saleyards.

For those interested in topping up breeder stocks we have included 22 heifers in the sale. These females will be sold as eligible for registration. They offer a rare opportunity to access some of Huntington's quality future breeders — some of our best breeding lines are included.

All information relevant to sale lots will be available in a printed supplementary sheet available on sale day, as well as on our website or by email if requested.

Thank you for your interest in our upcoming sale. We sincerely hope to see you there. As ever, we invite you to allow some time to enjoy our customary post-sale refreshments and yarn-time, but be warned: We love talking Charbray.

—Matt Welsh (on behalf of the Welsh families)
